### Product Overview

The 19" industrial PC cabinets from DIGITUS<sup>®</sup> Professional are made of a robust steel construction with a minimum of seams. They offer an ideal housing for active and passive 483 mm (19") components.

The 36 height units are separated into three lockable units (screen unit= 9U; keyboard unit= 2U; 19" mounting unit= 25U). You can choose between two front door versions (mounting unit):

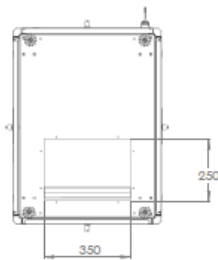

Glass door or steel door. With all lockable front door parts, lockable rear and side panels, which are also detachable, the industrial PC cabinets offer an easy installation and availability at all time.
